NHS dental Care is available free of charge to those under 18, patients under 19 and still in full time education and those who fall under NHS exempt criteria where treatments are clinically necessary for their oral health.

General Terms

This list of prices has been put together to give you an idea of our fees. The cost of treatment may vary from patient to patient due to the time the treatment takes and the materials used. A full quotation will be given before any treatment is carried out.

The practice reserves the right to charge if an appointment is missed or cancelled with less than 24 hours' notice for the dentist and the hygienist or in a circumstances which leaves insufficient time for the appointment to be reallocated to another patient. We will endeavour to speak to you before cancellation charges will come into force.

1. Payments are acceptable by Switch, credit card, personal cheque or cash.
2. Payment is appreciated at the end of each visit. If you are unsure there is a charge, please ask at reception before leaving. The full amount to be settled on the finish of treatment.
3. Invoices and receipts for any payments shall be given at each stage of treatment.
